

NELSE LODGE CHECK LIST FOR GUESTS:

Attached also is a check list of what you can expect and what is available during your stay with us.

We are situated right in the middle of the Falls Creek village.

We have fantastic views.

We have great food and wine. Please take a look at our current a la carte menu. [Click here](#)

We prepare full cooked breakfasts to order every morning.

House guests can choose any two course from the dinner menu. This is a \$40 special pre-purchased package. Or choose and pay for just one course.

We keep a huge real log open fire burning all day.

Remember to bring your bathers. You will want to use our hot spa and heated swimming pool and sauna.

In a normal snow season we are a true ski in ski out lodge. - very special!

We are close to a number of very good ski equipment hire outlets.

We have free wireless broadband internet. You can use your computer or ours.

We are only 200 metres from the Falls Express quad chair lift. This takes you directly to the ski school.

All of our rooms have TVs, clock radios, hair dryers, bathrooms, comfortable beds and are warm and cosy.

Lodge guests use all of our large living room with comfy sofas.

We have a well stock bar which is not expensive.

We take very special care of our guests.

We move guests baggage to and from their cars as often as we can. No oversnow. No waiting. (between 8am and 5pm).

We provide bath towels and pool towels, all day tea and coffee.

We have an espresso machine that is never turned off. One complimentary coffee at breakfast.

Arrive as early as you like on your day of arrival and leave as late as you like on departure day. Use our baggage room.
